ERASMUS+ KA1 COURSE PROGRAMME, AID-04

AI & Digital Classroom: Practical Tools, DigCompEdu & Media Literacy

Use AI and digital tools safely and well. You leave with ready lessons and a draft AI policy for your school.

5 days	Veria, Greece	400 €	English
30 teaching hours	Akadimos training centre	course fee, 80 € × 5 days	B1 level or above

Programme

Day 1 Your digital classroom	• Welcome, introductions and your needs • Check your skills with DigCompEdu • Tools that save time in any subject
Day 2 Generative AI for teachers	• How generative AI works, and where it fails • Planning, creating and differentiating with AI • Workshop: build a lesson with AI
Day 3 AI with learners	• Safe, honest and critical use • Tasks that AI cannot do for learners • EU rules on AI and data in education
Day 4 Media literacy	• Checking sources and spotting fakes • Deepfakes and disinformation • Teaching media literacy in any subject
Day 5 Your AI plan	• Drafting an AI policy for your school • Presentations and peer feedback • Evaluation, certificates and Europass Mobility

Daily schedule: Monday to Friday, 09:00–15:30, with coffee and lunch breaks. Six teaching hours a day.

Learning outcomes

KNOWLEDGE

- DigCompEdu, the EU framework for digital teachers
- How generative AI works, and where it fails
- EU rules on AI and data in education

SKILLS

- Plan and differentiate lessons with AI tools
- Design tasks that AI cannot do for learners
- Teach learners to check sources and spot fakes

ATTITUDES

- Critical and ethical use of technology
- Respect for data protection and privacy
- Learning by testing, with colleagues

Who it is for

Teachers of all subjects (no IT skills needed), adult educators, VET trainers, school leaders and ICT coordinators. Please bring a laptop. No prior AI experience needed.

How we work

- Mostly hands-on: workshops, case studies and work on your own lessons
- Usually colleagues from several European countries
- A short needs questionnaire before the course
- Materials and a digital toolkit to keep

Certification

- Certificate of attendance with learning outcomes and hours
- Europass Mobility support: we complete it with you
- Learning Agreement support before the course

2027 dates

Winter	1–5 February 2027
Spring	12–16 April 2027
Summer	5–9 July 2027
Autumn	15–19 November 2027

For your Erasmus+ application

Provider	Akadimos KDVM EPE
OID / PIC	E10228854 / 912790953
Activity	Courses and training (KA121, KA122)
Sectors	School, adult education, VET
