ERASMUS+ KA1 COURSE PROGRAMME, GRN-05

Green School: Sustainability & Outdoor Learning

Teach sustainability inside and outside the classroom. You leave with an outdoor lesson plan and a green school action plan.

5 days	Veria, Greece	400 €	English
30 teaching hours	Akadimos training centre	course fee, 80 € × 5 days	B1 level or above

Programme

Day 1 Learning for sustainability	• Welcome, introductions and your needs • GreenComp, the EU sustainability competence framework • Sustainability in every subject
Day 2 Outdoor learning	• Principles of outdoor and place-based learning • Lessons outdoors near Veria • Safety and planning for outdoor lessons
Day 3 Nature, water and food	• Local projects with learners • Measuring your school's footprint • Working with local partners
Day 4 The green school	• Energy, waste and the whole school • Hope and action, not fear • Involving learners, staff and families
Day 5 Your green action plan	• Building your green school action plan • Presentations and peer feedback • Evaluation, certificates and Europass Mobility

Daily schedule: Monday to Friday, 09:00–15:30, with coffee and lunch breaks. Six teaching hours a day.

Learning outcomes

KNOWLEDGE

- GreenComp, the EU sustainability competence framework
- Outdoor and place-based learning
- The whole-school approach to sustainability

SKILLS

- Plan an outdoor lesson in any subject
- Run a local sustainability project with learners
- Measure your school's footprint with learners

ATTITUDES

- Care for nature and community
- Hope and action, not fear
- Working with local partners

Who it is for

Teachers of any subject from primary to VET, adult educators working on community and green skills, VET trainers, school leaders and eco-coordinators. Please bring comfortable shoes. No prior experience needed.

How we work

- Mostly hands-on: workshops, case studies and work on your own lessons
- Usually colleagues from several European countries
- A short needs questionnaire before the course
- Materials and a digital toolkit to keep

Certification

- Certificate of attendance with learning outcomes and hours
- Europass Mobility support: we complete it with you
- Learning Agreement support before the course
